Recyclables List

With the exception of the recyclables listed below, all trash must be in "tied" 12 to 32 gallon trash bags weighing no more than 40 pounds each. Bags must be capable of supporting weight placed in them without ripping when handled. Using cardboard boxes for trash in place of trash bags is not allowed, as all boxes must be recycled (per Steuben County requirement).

Larger items, such as vacuum cleaners, atificial Christmas trees, etc... do not need to be bagged.

Plastic

All number 1 & 2 plastic containers (these will usually be a bottle, jug or jar).

Not accepted:

Any plastic. other than those mentioned above.

No medicine bottles.
No styrofoam
No bages or film plastic

Glass

Cleaned Clear & colored glass bottles.

Not accepted:
Pyrex, window glass, ceramics, light bulbs or auto glass

Paper

Newspaper, magazines, glossies, catalogues, telephone books, junk mail, white and colored paper and envelopes (shredded paper must be bagged).

Not accepted:
Paper with other materials attached (such as sprial bindings, bubblewrap or cardboard), plastic bags, foil wrappers or tissue paper.

Cans & Metal

Cleaned tin & aluminum cans, small metal items such as pots & pans, old faucets, etc... (small to midsized microwaves are allowed, but nothing bigger)

Not accepted: Aerosol, paint or fuel cans.

These top four materials may combined into one tote or a smaller type trash can and placed out for weekly pickup. We sort them for you. Please do not store and put out large amounts of recycling at one time. We also pick up the material listed below on a weekly basis.

Cardboard & Pasteboard

(corragated) (food boxes usually)

Broken down (not stomped), flattened and stacked cardboard and pasteboard. We highly recommend either tying this material or placing your recycling tote or trash can on top of this material to prevent it from being blown away. This will also help keep it dry in the event of light precipitation. Limit: 6 inch stack

Not accepted: Cardboard with waxy surface (such as milk & orange juice cartons)

Electronics

Please place your electronic device on the ground next to your regular recycling. These items must never be bagged or mixed with regular trash. We accept one electronic device, upto 25 lbs per week, per residence, free. Freon items are not concidered electronic devices. Call (607) 962-5865 for these items.

We are unable to take items over 25 pounds. However, Steuben county residents may take any of these electronic devices to the Erwin Transfer Station or Bath Landfill free of charge, for recycling.
